

# Cross-harp, a.k.a. 2<sup>nd</sup> position harmonica

You know how your harmonica says you're playing in C major, right?

Yeah...

Tonight, that's totally wrong.

THE CIRCLE OF FIFTHS

# Remember this?

In the blues, there's a little more to it...

On the day I was born, the nurses all gathered 'round  
And they gazed in wide wonder at the joy they had found  
The head nurse spoke up, said "leave this one alone"  
She could tell right away that I was bad to the bone

I broke a thousand hearts before I met you  
I'll break a thousand more, baby before I am through  
I wanna be yours pretty baby, yours and yours alone  
I'm here to tell ya honey that I'm bad to the bone

I make a rich woman beg, I'll make a good woman steal  
I'll make an old woman blush and make a young girl squeal  
I wanna be yours pretty baby, yours and yours alone  
I'm here to tell ya honey that I'm bad to the bone

And when I walk the streets, Kings and Queens step aside  
Every woman I meet, they all stay satisfied  
I wanna tell ya pretty baby, well ya see I make my own  
I'm here to tell ya honey that I'm bad to the bone
