Heart and soul, I fell in love with you,  
Heart and soul the way a fool would do,

Madly... Because you held me tight,  
And stole a kiss in the night...

Heart and soul, I begged to be adored,  
Lost control, and tumbled overboard,  
Gladly... That magic night we kissed,  
There in the moon mist.

|| :C | Am | F | G7 | :||

But now I see, what one embrace can do,  
Look at me, it's got me loving you,  
Madly...That little kiss you stole,  
Held all my heart and soul.
