Dadd9-A7!

It's been one week since you looked at me

Cocked your head to the side and said "I'm angry"

A!

Five days since you laughed at me saying

Dadd9-A7

"Get that together come back and see me"

Hold it now and watch the hoodwink
As I make you stop, think
You'll think you're looking at Aquaman
I summon fish to the dish, although I like the Chalet Swiss
I like the sushi 'cause it's never touched a frying pan
Hot like wasabe when I bust rhymes, Big like LeAnn Rimes
Because I'm all about value
Bert Kaempfert's got the mad hits
You try to match wits, you try to hold me but I bust through

Gonna make a break and take a fake
I'd like a stinkin achin shake
I like vanilla, it's the finest of the flavours
Gotta see the show, cause then you'll know
The vertigo is gonna grow
Cause it's so dangerous,
you'll have to sign a waiver

Just so my irons aren't always flying off the back-swing
Gotta get in tune with Sailor Moon
'Cause the cartoon has got the boom anime babes
