We're gonna go all the way tonight

We're gonna go all the way

An tonight's the night...

We're gonna go all the way tonight

We're gonna go all the way

An tonight's the night...

Em7

Ok, here we go, we got a real pressure cooker going here, two down, nobody on, no score, bottom of the ninth, there's the wind-up and there it is, a line shot up the middle, look at him go. This boy can really fly!

He's rounding first and really turning it on now, he's not letting up at all, he's gonna try for second; the ball is bobbled out in center, and here comes the throw, and what a throw!

He's gonna slide in head first, here he comes, he's out!

Em7

No, wait, safe--safe at second base, this kid really mak things happen out there.

Batter es steps up to the plate, here's the pitch-- he's going, and what a jump he's got, he's trying for third, here's the throw, it's in the dirt-- safe at third! Holy cow, stolen base!

He's taking a pretty big lead out there, almost daring him to try and pick him off. The pitcher
*** glance over, winds up, and it's bunted, bunted down the third base line, the suicide squeeze in on! Here he comes, squeeze play, it's gonna be close, here's the throw, there's the play at the plate, holy cow, I think he's gonna make it!

Watch for
1/2 time hits,
then triplets,
Then roll,
then hit A!

Stop right there!
