There's a restaurant down the street

Where hungry people like to eat

I could walk but I'll just drive

It's colder than it looks out side.

On an evening such as this

**F**                    **G**                    **C**                    **F9**    **C**

It's hard to tell if I exist

**F**                    **G**                    **C**                    **F9**    **C**

Packed a car and leave this town
