A Million Vacations - Max Webster (128 bpm, original capo 2)

```
(G)      D
Friday, Friday is a good time to shine
          C                      G    D
Night sea journeys, journeys to unwind
D
Losin' all survival signs
      C               G          D
Rerun movies takin' all your time
```

```
     G                                                D
Everyone needs a town a tune a dream to survive on
G                                              D
One to dance to, one to scream to survive on
           G                                          D
You need a high a face a space a chase to rely on
       C                                 G                          D
'Cause you can only drive down Main street so many times
       C                                 G
'Cause you can only drive down Main street so many
