Ride the G – heading to the third verse...

G  
We got a lot of little teenage blue-eyed groupies  
                  D  
who do anything we say. We got a genuine Indian guru,  
                  G  
who's teachin' us a better way.  
                  G  
We got all the friends that money can buy,  
                  C  
so we never have to be alone.  
                  D  
And we keep gettin' richer but we can't get our picture
