Crabbuckit

Gm	F	Eb	D	Gm	0231
It's a connoption fit from the microphone flit				F	0210
I take it higher like a bird on a wire, retire the fire				Eb	0331
I never... cause I'm just moving on up				D	2220
Choosin' to touch the unseen, craving the clutch				Gm	0765
The most inevitable legible pyromania				F	0553
Slayin' the devil, and sendin' him back to Transylvania				Eb	0331
Strangely enough, I avoid that side of the ghetto				D	2220
But my heavy metal will settle the puppets like Gepetto					(0220)
Damn--- if mirrors were created by sand					
Then I'm looking in the water for reflections of man					
Understand - the minds above time when it's empty					
Em7cee, Tragically Hip "Ahead by a Century"---rrrr-ah!
