Not too long ago, I was dancing for dollars
Know it's really real if I let you meet my mama
You don't want a girl like me, I'm too crazy
But every other girl you meet is fugazi

I'm sure them other girls were nice enough
But you need someone to spice it up
So who you gonna call? Cardi, Cardi
Come and rev it up like a Harley, Harley

Girls Like you - Maroon 5 & Cardi B.

Why is the best fruit always forbidden?
I'm coming to you now doin' 20 over the limit
The red light, red light stop
I don't play when it comes to my heart

I don't really want a white horse and a carriage
I'm thinkin' more a white Porsches and carats
I need you right here 'cause every time you call
I need you right here while you play wit' your guitar
*(she meant
ukulele)*
