D                       Bm7                          F#m

     G                D                F#m                G

D                      Bm7                           F#m
