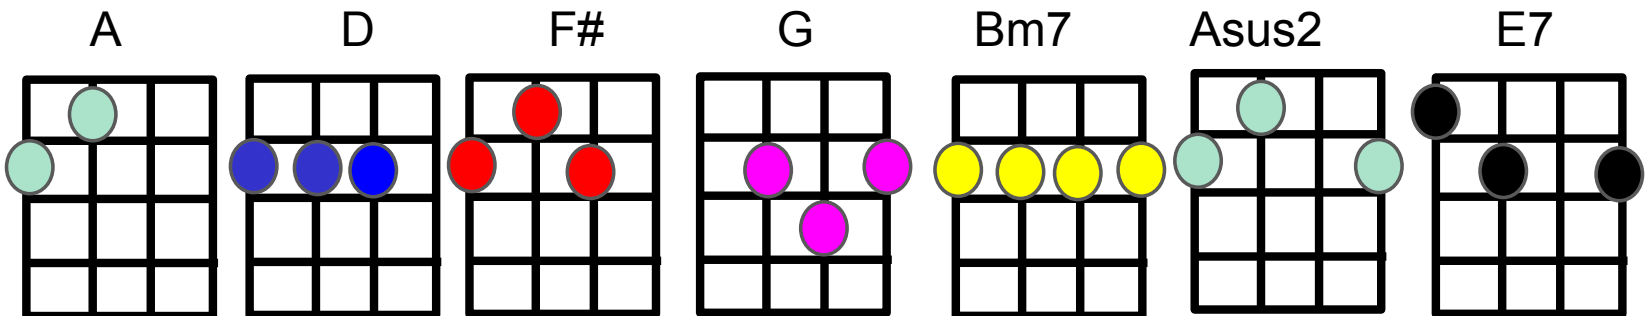
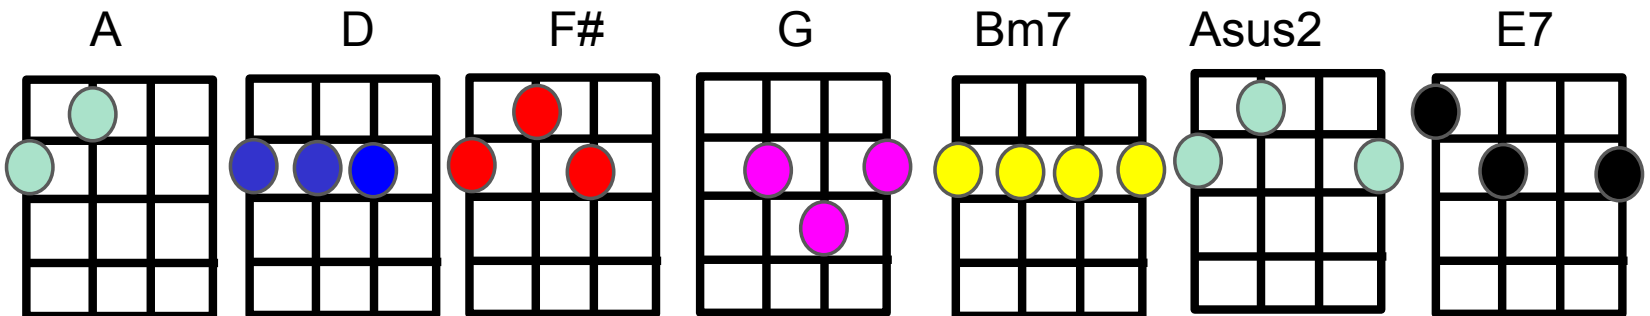
```
A!                    D!
Bring the wind to carry me over
F#m!                   G!
Lead me home to my town
A!                   D!
Tell me when the breeze is blowing
Bm7!               D!     A!
Taking me home, to my town
|A          Asus2|A     Asus2 |
|A          Asus2|F#m          |
|G               |A            |
```

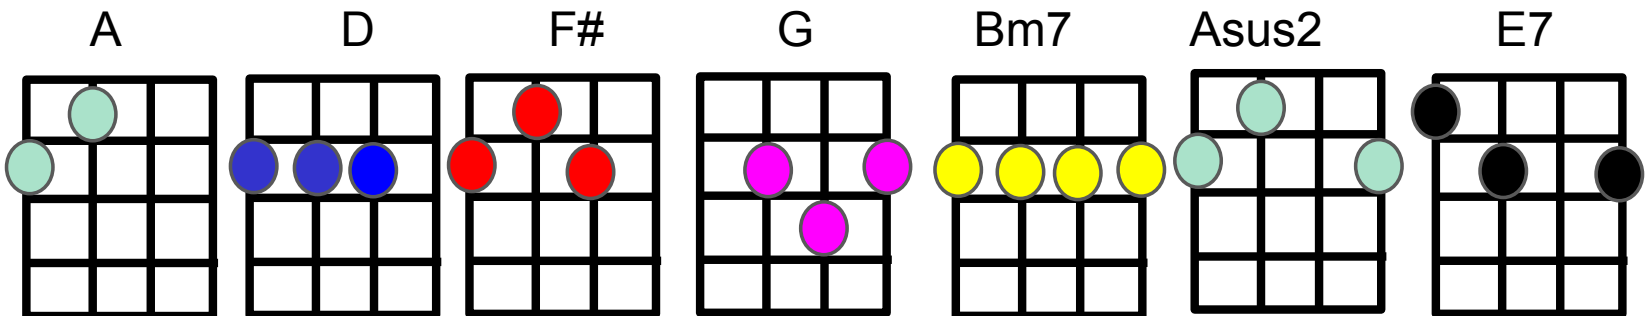


```
A                          F#m
When I think of you Scotia
          G                                A
There's a love that just bleeds in my heart
      A                             F#m
In my childhood days we went our different ways
        D                             A
But you knew that we'd never part
```



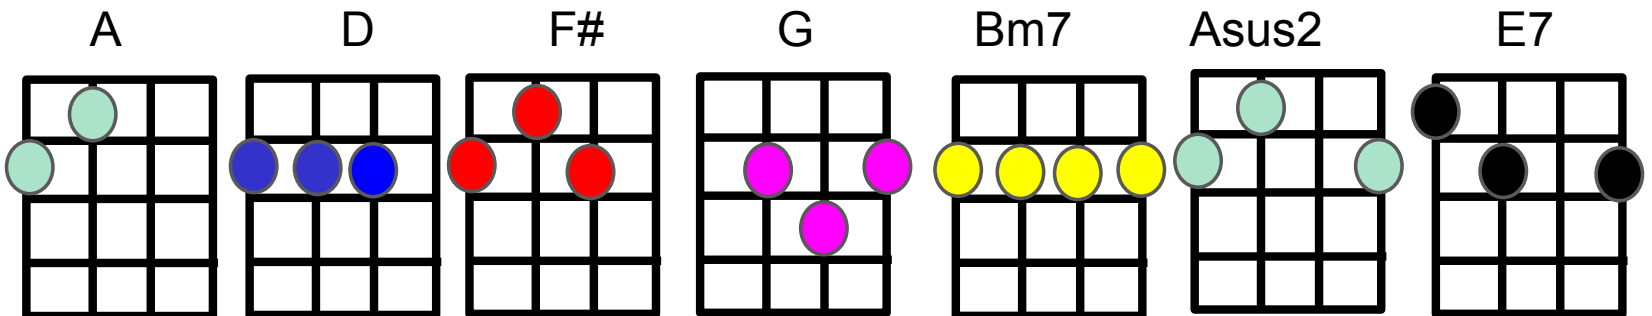
My Town
Glass Tiger

```
          F#m                          E7
Now I'm        all alone and you're calling me home
D
    You knew our love could never die
     F#m                                      E7
And through my roving eyes always Led me astray
          D
Now I'm coming back home Scotia Don't walk away
```



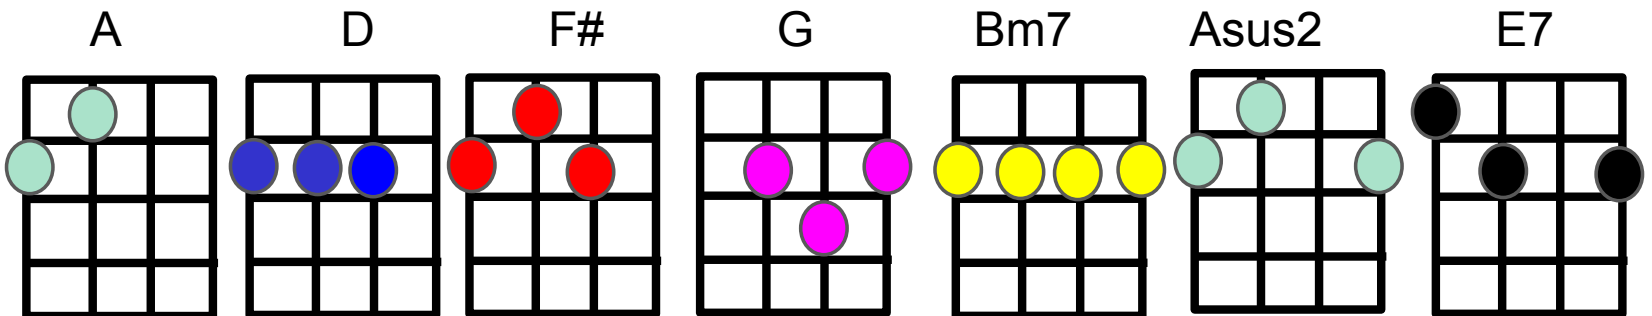
My Town
Glass Tiger

```
A                       D
Bring the wind to carry me over
F#m                     G
Lead me home to my town
A                       D
Tell me when the breeze is blowing
Bm7                 D       A
Taking me home, to my town
|A          Asus2|F#m          |
|G               |A            |
```



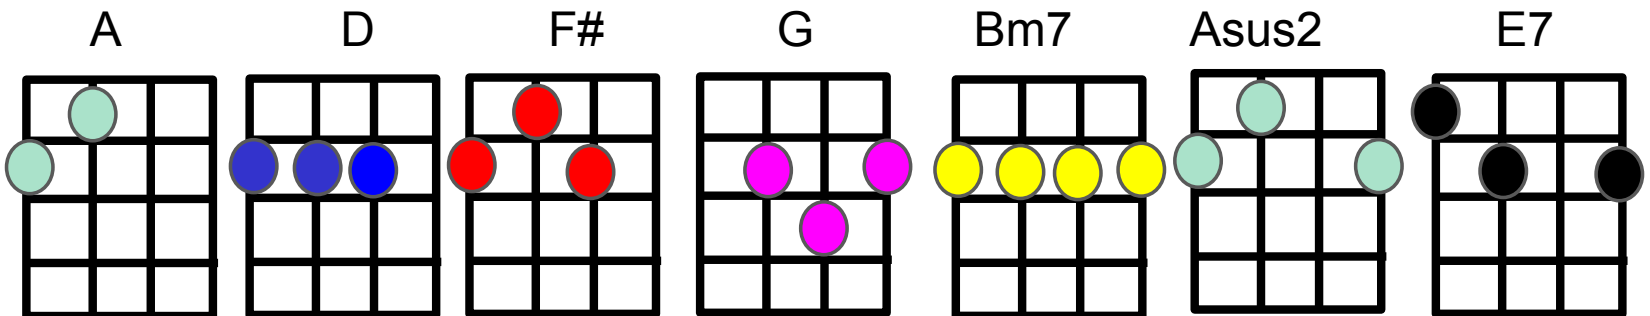
My Town
Glass Tiger

```
A                                F#m
    So when I think of you Scotia
          G                          A
There's a magic that fills the air
          A                             F#m
We're the "Downtown boys" making all that noise
       D                                A
Oh! We lived like we just don't care
```



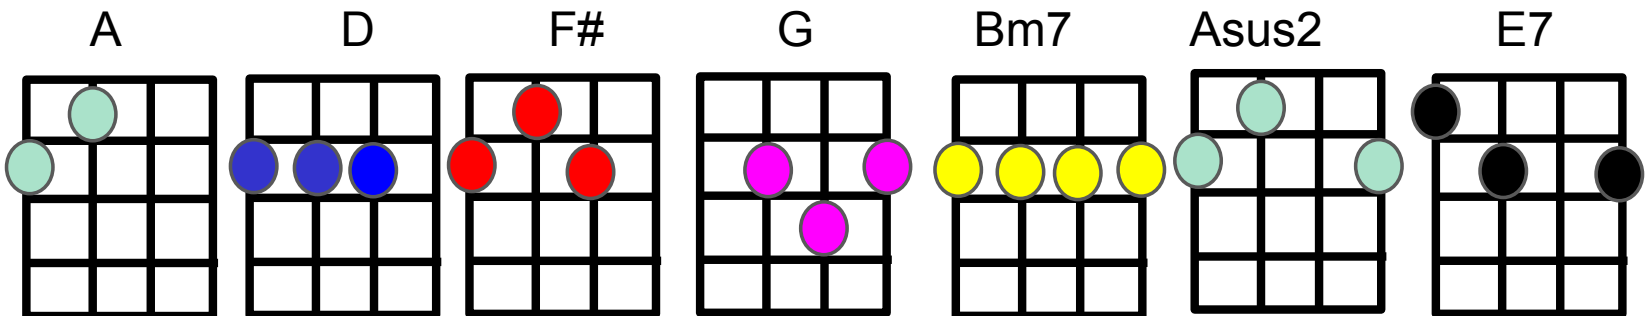
My Town
Glass Tiger

```
      F#m                          E7
So we drank our fill for king and country, yeah!
D
    Till the last soldier fell!
F#m                                E7
Burlington Bertie you're in my heart forever
D
    I want to drown in the stories you tell
```



My Town
Glass Tiger

```
A                       D
Bring the wind to carry me over
F#m                     G
Lead me home to my town
A                       D
Tell me when the breeze is blowing
Bm7                 D       A
Taking me home, to my town
```



My Town
Glass Tiger

```
|Bm7          |D      A      |          |  (I know: 3 bars is weird, but that's how it goes…)
        Oh    To my town
|G                |D                    |A            |Asus2   A      |
    You made me all I can ever be
|G              |D            |E7          |E7              |
 If I should fall your love will   Rescue me
