Poor old Granddad	I laughed at all his words	G	0232
D		Em7	
I thought he was a bitter man	when He spoke of women's ways		
D		Em7	
They'll trap you, then they use you	Be-fore you even know		
D		Em7	
For love is blind and you're far too kind	Don't ever let it show		

Ooh la la

D Em7 G  
I wish that I knew all I know now When I was younger  
D Em7 G  
I wish that I knew all I know now When I was stronger.

The Can Can's such a pretty show They'll steal your heart  
away

D Em7  
But backstage, back on earth again The dressing rooms are  
grey

D Em7  
They come on strong and it ain't too long Before they make  
you feel a man

D Em7  
But love is blind and you soon will find You're just a boy  
again

When you want her lips, you get a cheek  
where you are

Em7

Makes you wonder

D

If you want some more and she's fast asleep  
Em7

Leaves you

twinkling with the stars.

Poor young grandson, there's nothing I can say

D

Em7

You'll have to learn, just like me And that's the hardest way
