Hey once I was a boogie singer playin' in a rock and roll band  
I never had no problems burning down them one night stands

And everything around me got to stop to feelin' so low  
And I decided quickly yes I did to disco down and check out the  
show

I tried to understand this  
I thought that they were out of their minds  
How could I be so foolish how could I  
to not see I was the one behind

So still I kept on fighting well losing every step of the way  
I said I must go back there I got to go back  
and check to see if things still the same

But I'll never lose that feelin' no I won't
