F              G                        C                    Am

F              G                        C                    Am
Got in my car and raced like a jet, all the way to you
F              G                        C                    Am
Knocked on your door with heart in my hand to ask you a question
F              G                        C                    Am
Cause I know that you're an old fashioned man yeah yeah
