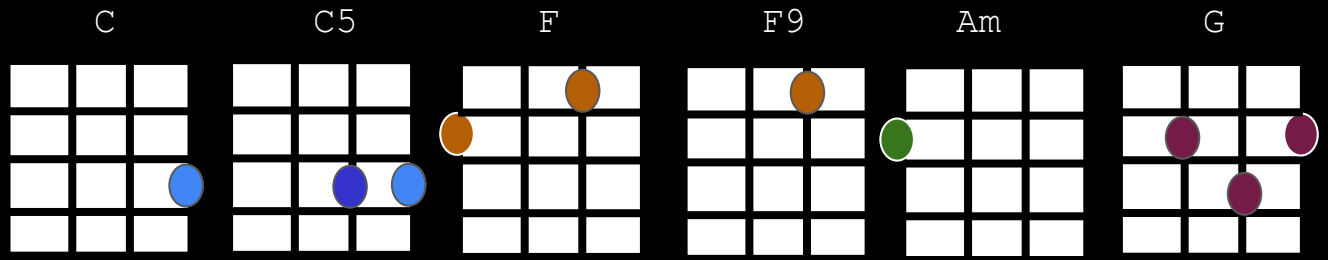
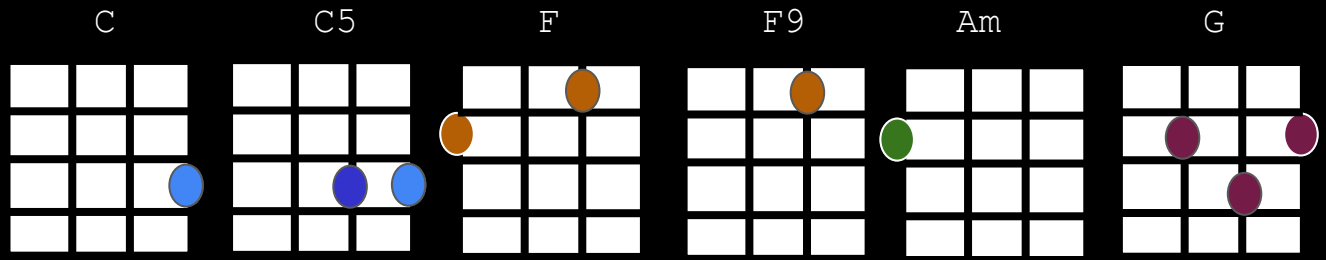
On my way On my way
|F Fadd9 F |F Fadd9 F :||
On my way On my way



C
I would like to reach out my hand
Fadd9 C
I may see, I may tell you to run (On my way, on my way)
Fadd9
You-know-what-they-say-about-the-young
C
Well pick me up with golden hands,
Fadd9 C
I may see, I may tell you to run (On my way, on my way)
Fadd9
You-know-what-they-say-about-the-young, well



Send Me On My Way
Rusted Root

```
Am                        G       F
    I would like you to hold my little hand,
Am                                G                  F
    How we will run, we will,      How we will crawl, we will
Am                        G        F
    I would like you to hold my little hand,
Am                                G                  F
    How we will run, we will,      How we will crawl,
              ||:C                |                                  |
Send me on my way (on my way) Send me on my way (on my way)
