(I was..)

G                           D                           |   A  
frying on the bench slide in the   park across the street

G                           D                           |   A  
L A T E R that week   My

G                           D                           |   A  
sticky paws were into making straws out of   big fat slurpy treats

G                           D                           |   A
