'Cause every night I have the strangest dreams  
Imprisoned by the way it could have been  
Left here on my own or so it seems  
I got to leave before I start to scream  
But someone's locked the door and took the key

You feelin' alright? I'm not feelin' too good myself  
Well, you feelin' alright? I'm not feelin' too good myself

Boy you sure took me for one big ride  
Even now I sit and wonder why  
And when I think of you I start myself to cry  
I just can't waste my time, I must keep dry  
Gotta stop believin' in all your lies  
'Cause there's too much to do before I die, hey

You feelin' alright? I'm not feelin' too good myself  
Well, you feelin' alright? I'm not feelin' too good myself

Don't get too lost in all I say  
Though at the time I really felt that way  
But that was then, and now you know it's today  
I can't get off, I guess I'm here to stay  
'Til someone comes along and takes my place, yeah  
With a different name, oh, and a different face

You feelin' alright? I'm not feelin' too good myself  
Well, you feelin' alright? I'm not feelin' too good myself

I left your house this morning about a quarter after nine

Coulda been the Willie Nelson, coulda been the wine

When I left your house this morning  
G Am7  
It was a little after nine-ine

It was in Bobcaygeon I saw the constellations

Reveal themselves one star at a time

Drove back to town this morning with working on my mind  
G Am7  
I thought of maybe quitting  
G Am7  
Thought of leaving it behind  
Bm7 C  
Went back to bed this morning  
G Am7  
And as I'm pulling down the blind-ind  
Bm7 C  
Yeah the sky was dull and hypothetical  
G Am7  
And falling one cloud at a time

Em7 C  
 That night in Toronto with its checkerboard floors  
 G D  
 Riding on horseback and keeping order restored  
 Em7  
 Til the men they couldn't hang

 Stepped to the mic and sang

 And their voices rang with that Aryan twang

 I got to your house this morning just a little after nine  
 G Am7 G Am7  
 In the middle of that riot... Couldn't get you off my mind

 So I'm at your house this morning

 Just a little after nine-nine

 It was in Bobcaygeon where I saw the constellations
