May the good Lord be with you down every road you roam
And may sunshine and happiness surround you when you're far from home
And may you grow to be proud, dignified and true
And do unto others as you'd have done to you

Be courageous and be brave and in my heart you'll always stay
Forever young, forever young
Forever young, forever young

May good fortune be with you, may your guiding light be strong
Build a stairway to heaven with a prince or a vagabond
And may you never love in vain, and in my heart you will remain
Forever young, Forever young,

For.....ev- er young x4

And when you finally fly away I'll be hoping that I served you well
For all the wisdom of a lifetime, no one can ever tell
But whatever road you choose, I'm right behind you, win or lose
Forever young, Forever young,

For.....ev- er young x4

I think I'll go out to Alberta
Weather's good there in the fall
I've got some friends that I can go working for
Still I wish you'd change your mind
If I ask you one more time
But we've been through that a hundred times or more
Four strong winds that blow lonely
Seven seas that run high
All those things that don't change, come what may
If the good times are all gone
Then I'm bound for moving on
I'll look for you if I'm ever back this way
If I get there before the snow flies,
And if things are looking good
You could meet me if I sent you down the fare
But by then it would be winter
Not too much for you to do
And those winds sure can blow cold way out there

Heard It Through the Grapevine
